#### **Deloitte Tax’s Qualifications**

4. Deloitte Tax is a tax services firm with offices across the United States. Deloitte Tax has significant experience in providing tax services and has performed such services in large and complex chapter 11 cases on behalf of debtors throughout the United States. management, Deloitte Tax has developed relevant experience and knowledge regarding the Debtors that will assist it in providing effective and efficient services during these Chapter 11 Cases. Accordingly, Deloitte Tax is both well-qualified and able to provide the aforementioned services for the Debtors in these Chapter 11 Cases in an efficient and timely manner.

### **Disinterestedness**

#### ***A. Background Information Related to Deloitte Tax***

6. Deloitte Touche Tohmatsu Limited (“**DTTL**”) is a UK private company limited by guarantee. DTTL itself does not provide services to clients. Each of the member firms of DTTL (each, a “**DTTL Member Firm**”) is a legally separate and distinct entity. The DTTL Member Firms are primarily organized on an individual country or regional basis, and operate within the legal and regulatory framework of their particular jurisdiction(s). The DTTL Member Firm structure reflects the fact that the DTTL Member Firms are not affiliates, subsidiaries, or branch offices of each other or of a global parent. Rather, they are separate and independent firms that have come together to practice under a common brand and shared methodologies, client service standards, and other professional protocols and guidelines. DTTL Member Firm partners and/or principals are generally the sole owners of their respective DTTL Member Firms. There is no overlap with respect to a partner’s or principal’s ownership in its respective DTTL Member Firm and any other DTTL Member Firm. Profits are not shared between or among the DTTL Member Firms.

7. In the United States, Deloitte LLP is a DTTL Member Firm. Like DTTL, Deloitte LLP does not provide services to clients. Rather, Deloitte LLP has operating affiliates that perform services for clients, including Deloitte Tax, Deloitte & Touche LLP (“**Deloitte & Touche**”), Deloitte Consulting LLP (“**Deloitte Consulting**”), Deloitte Financial Advisory

Services LLP (“**Deloitte FAS**”), and Deloitte Transactions and Business Analytics LLP (“**DTBA**”) (Deloitte LLP and each of the foregoing, and together with their respective direct and indirect subsidiaries, collectively, the “**Deloitte U.S. Entities**”). The partners and/or principals of each operating affiliate of Deloitte LLP are owners of their respective affiliate along with, directly or indirectly, Deloitte LLP. Generally, each affiliate’s respective partners and principals are also partners and principals, as applicable, of Deloitte LLP.

**B. *Conflicts Check Process, Generally***

8. As described below, for the most part, the conflicts searches conducted by Deloitte Tax involves checking client and other databases of the Deloitte U.S. Entities. Given the separateness of the various DTTL Member Firms as described above, the Deloitte U.S. Entities do not have the capability to directly check the client or other databases of any of the non-U.S. DTTL Member Firms or their respective affiliates or subsidiaries. However, notwithstanding the separateness of the DTTL Member Firms, as described below, the Deloitte U.S. Entities’ checking procedures in bankruptcy cases do result in the gathering of certain information related to the DTTL Member Firms.

9. When any of Deloitte LLP’s operating affiliates, such as Deloitte Tax, is to be the subject of an application to be retained in a chapter 11 case, a process commences regarding checking connections to the debtor, its affiliates and the debtor’s parties in interest (as provided by the debtors). With the assistance of the Deloitte U.S. Entities’ conflicts team (the “**Conflicts Team**”), a series of conflicts checking procedures are undertaken, including checking a number of Deloitte U.S. Entities’ databases for their connections. Additionally, the Conflicts Team performs procedures to identify certain relationships of other DTTL Member Firms, as described below:

a. With respect to the debtor and debtor affiliates, the Conflicts Team will:

- i. Initiate cross border check requests to the DTTL Member Firm(s) where the debtor or debtor affiliate is domiciled (i.e., the country of incorporation or the entity's headquarters, as the case may be) based upon information provided by the debtors and research by the Conflicts Team of publicly available information. The DTTL Member Firm(s) will then search applicable local databases to identify client or non-client relationships in their jurisdiction (such as lender, vendors, business relationship entities or third parties associated with a client engagement).
  - ii. Perform a search of the cross border conflict check requests the Conflicts Team has previously received from other DTTL Member Firms, which are submitted when a DTTL Member Firm seeks to commence an engagement with or involving a U.S. entity.<sup>3</sup> This search is conducted to identify whether those prospective engagements involved the debtor or its affiliates domiciled in the U.S. as the engaging client or non-client relationship (such as business relationship entities or third parties associated with a client engagement).
  - iii. Perform a search of the database system associated with audit and other related independence requirements (the “**Independence Database**”) to identify possible connections with debtor and debtor affiliates with respect to whom such requirements are actually or potentially implicated. Each DTTL Member Firm is required to input its respective audit and attest clients into the Independence Database, and all DTTL Member Firms have access to the Independence Database.<sup>4</sup> Each entity in the Independence Database has a designated partner who is responsible for approving and monitoring services for entities included in its corporate tree. The Independence Database includes audit and attest clients of the various DTTL Member Firms, as well as certain other non-clients thereof.
- b. With respect to the debtor's parties in interest, the Conflicts Team will:
  - i. Perform a search of the cross border conflict check requests the Conflicts Team has previously received from other DTTL Member Firms (described above) to identify whether those prospective engagements involved a U.S.-domiciled party in interest as a direct attest or litigation client or business relationship entity.

---

<sup>3</sup>These cross border conflict check requests are pursuant to a policy adopted by DTTL Member Firms.

<sup>4</sup> Inputting audit and attest clients into the Independence Database is a policy followed by DTTL Member Firms so that such relationships are tracked in connection with such firms' independence requirements.

- ii. Perform a search of the Independence Database to determine whether a party in interest is identified therein.

10. Based upon the foregoing, it is my understanding that the overall design and implementation of Deloitte U.S. Entities' current procedures provide a reasonable level of comfort that relationships and potential conflicts related to a debtor will be identified.

**C. *Disinterestedness of Deloitte Tax***

11. Subject to the foregoing, except as set forth herein and in the attachments hereto, to the best of my information, knowledge, and belief based on reasonable inquiry: (a) neither I, Deloitte Tax, nor any partner, principal, or managing director of Deloitte Tax that is anticipated to provide the services for which Deloitte Tax is to be retained (the "**Deloitte Tax Engagement Partners/Principals/Managing Directors**") holds any interest adverse to the Debtors with respect to the matters on which Deloitte Tax is to be retained in their Chapter 11 Cases; and (b) Deloitte Tax has no relationship to the Debtors, their significant creditors, certain other parties-in-interest, or to the attorneys that are known to be assisting the Debtors in their Chapter 11 Cases, except as stated herein or in any attachment hereto.

12. In connection with the Debtors proposed retention of Deloitte Tax in their Chapter 11 Cases, Deloitte Tax undertook searches to determine, and to disclose, whether it or its affiliates is or has been employed by or has other relationships with the Debtors or their affiliates, subsidiaries, directors, or officers, or any of the Debtors' significant creditors, customers, equity security holders, professionals, or other entities with significant relationships with the Debtors (the "**Potential Parties-in-Interest**"), whose specific names were provided to Deloitte Tax by the Debtors, listed on **Schedule 1** attached hereto. To check upon and disclose possible relationships with significant Potential Parties-in-Interest in these Chapter 11 Cases, Deloitte Tax researched its client databases and performed reasonable due diligence to determine whether it or its affiliates

had any relationships with the Debtors or their affiliates, subsidiaries, directors, or officers, or significant Potential Parties-in-Interest.

13. Deloitte Tax and/or its affiliates have relationships with thousands of clients, some of which may be creditors of the Debtors or other Potential Parties-in-Interest. Accordingly, Deloitte Tax and/or its affiliates have or may have provided professional services, may currently provide professional services, and/or may in the future provide professional services in matters unrelated to the Chapter 11 Cases to certain of the Potential Parties-in-Interest. Additionally, certain of these Potential Parties-in-Interest have or may have provided goods or services, may currently provide goods or services, and/or may in the future provide goods or services to Deloitte Tax and/or its affiliates and the Deloitte Tax Engagement Partners/Principals/Managing Directors in matters unrelated to the Chapter 11 Cases. A listing of parties with such connections to Deloitte Tax and/or its affiliates is attached to this Declaration as **Schedule 2**.

14. With respect to Deloitte Tax's conflicts checks conducted in these Chapter 11 Cases, if a database query identified a potential connection between a Potential Party-in-Interest and a Deloitte U.S. Entity or DTTL Member Firm, an email was sent to certain of the Deloitte U.S. Entity's and/or DTTL Member Firm's individuals, as applicable, associated with such Potential Party-in-Interest to confirm whether or not the relationship with such Potential Party-in-Interest related or currently relates to the Chapter 11 Cases. Responses to these emails were consolidated and subsequently reviewed. As stated in this Declaration, these processes result in the disclosures that are set forth herein, including the disclosure of certain connections with Potential Parties-in-Interest that do not relate to the Chapter 11 Cases. The identified potential connections to the

Potential Parties-in-Interest are included on **Schedule 2** appended hereto, and such connections do not relate to the Chapter 11 Cases.

15. Deloitte Tax believes that the relationships described herein or reflected on **Schedule 2** have no bearing on the services for which Deloitte Tax's retention is being sought by the Debtors in these Chapter 11 Cases. Furthermore, such relationships do not impair Deloitte Tax's disinterestedness, and Deloitte Tax does not represent an adverse interest in connection with these Chapter 11 Cases.

16. To the best of my knowledge, based on the searches discussed above, Deloitte Tax has determined that certain relationships should be disclosed as follows.

a. Deloitte Tax and its affiliates provide services in matters unrelated to the Chapter 11 Cases to certain of the Debtors' largest unsecured and secured creditors and other Potential Parties-in-Interest or their affiliates listed on **Schedule 2**.

b. Law firms identified on **Schedule 2**, including Akin Gump Strauss Hauer & Feld LLP; Alston & Bird LLP; Arnold & Porter Kay Scholer LLP; Blakes Cassels and Graydon LLP; Cooley LLP; Davis Wright Tremaine LLP; Dentons Canada LLP; Duane Morris LLP; Faegre Drinker Biddle and Reath LLP; Greenberg Traurig LLP; Holland and Hart LLP; Jackson Walker LLP; Kirkland & Ellis LLP; Morgan, Lewis & Bockius LLP; Moss Adams LLP; Paul Hastings LLP; Quinn Emanuel Urquhart & Sullivan, LLP; Sidley Austin LLP; Skadden, Arps, Slate, Meagher & Flom LLP; Snell & Wilmer; Troutman Sanders LLP; Williams & Connolly LLP; Willkie Farr & Gallagher LLP; Weil, Gotshal & Manges LLP; and Zuckerman Gore Brandeis & Crossman, LLP, have provided, currently provide and may in the future provide legal services to Deloitte Tax or its affiliates in matters unrelated to their Chapter 11 Cases, and/or Deloitte Tax or its affiliates have provided, currently provide and may in the future provide services to such firms or their clients.

c. In the ordinary course of its business, Deloitte Tax and its affiliates have business relationships in unrelated matters with its principal competitors, which together with their affiliates may be Potential Parties-in-Interest in their Chapter 11 Cases. For example, from time to time, Deloitte Tax and one or more of such entities may work on assignments for the same client or may otherwise engage each other for various purposes.

d. Certain financial institutions or their respective affiliates (including Bank of America; Blue Cross Blue Shield CA; Blue Cross Blue Shield NC; Blue

Cross Blue Shield of TX; and Citibank) listed on **Schedule 2** (i) are lenders to an affiliate of Deloitte Tax (Deloitte Tax is a guarantor of such indebtedness) and/or (ii) have financed a portion of the capital and/or capital loan requirements of various managing partners and principals, respectively, of Deloitte Tax and its affiliates. In addition, certain institutions or their respective affiliates, including BlackRock Credit Alpha Master Fund L.P. and Citadel Securities Corp. Solutions, provide asset management services, and/or have a similar role with respect to investments of, certain pension, benefit and similar funds sponsored by affiliates of Deloitte Tax.

e. Deloitte Tax and certain of its affiliates, including Deloitte & Touche, have provided, continue to provide and may in the future provide professional services to certain entities, listed on **Schedule 2** attached hereto, in matters unrelated to the Chapter 11 Cases. With respect to BlackRock Credit Alpha Master Fund L.P. and/or certain of its affiliates and/or subsidiaries (collectively, “**BlackRock**”) and Apollo Centre Street Partnership, L.P., Apollo Lincoln Fixed Income Fund, L.P., Apollo Moultrie Credit Fund, L.P., and Apollo Tactical Value SPN Investments, L.P., and/or certain of their affiliates and/or subsidiaries (collectively, “**Apollo**”), Deloitte Tax and/or certain of its affiliates provide ordinary course services for BlackRock and Apollo, certain of which services may have a relationship to certain of BlackRock’s or Apollo’s respective investments respecting the Debtors. Also, among other services, Deloitte & Touche acts as the independent auditor for Apollo, funds managed by Apollo, and a number of entities either currently or formerly owned by funds managed by Apollo or its principals.

f. Certain Potential Parties-in-Interest may be adverse to and/or involved in litigation matters with Deloitte Tax or its affiliates in connection with matters unrelated to the Chapter 11 Cases.

g. Deloitte & Touche has provided and continues to provide audit services to certain Potential Parties-in-Interest and/or their affiliates, in matters unrelated to these Chapter 11 Cases. In its capacity as independent auditor, Deloitte & Touche also provides such clients with ordinary course auditing services and conducts typical audit procedures that may arise from such Potential Parties-in-Interests’ business arrangements with the Debtors.

h. Deloitte Consulting and certain of its affiliates, have provided and will continue to provide services to the Executive Office of the United States Trustee in matters unrelated to these Chapter 11 Cases.

17. Furthermore, through reasonable inquiry, I do not believe there is any connection between the personnel of Deloitte Tax or its affiliates who are anticipated to provide services to the Debtors and the United States Bankruptcy Judge presiding in their Chapter 11

Cases, the United States Trustee for Region 7, the Assistant United States Trustee for the Southern District of Texas, and the attorneys therefor assigned to these Chapter 11 Cases.

18. Despite the efforts described above to identify and disclose Deloitte Tax's connections with the Potential Parties-in-Interest in the Chapter 11 Cases, because Deloitte Tax is a nationwide firm with thousands of personnel, and because the Debtors are a large enterprise, Deloitte Tax is unable to state with certainty that every client relationship or other connection has been disclosed. In this regard, if Deloitte Tax discovers additional material information that it determines requires disclosure, it will file a supplemental disclosure promptly with the Court.

19. Except as may be disclosed herein, to the best of my knowledge, information, and belief, Deloitte Tax and the Deloitte Tax Engagement Partners/Principals/Managing Directors do not hold or represent any interest adverse to the Debtors, and I believe that Deloitte Tax is a "disinterested person" as that term is defined in Section 101(14) of the Bankruptcy Code, as modified by Section 1107(b) of the Bankruptcy Code.

### **Scope of Services**

f) Deloitte Tax has agreed to provide tax return preparation services to the Debtors, consisting of the 2022 federal income tax return and tax return extension for the Debtors and their subsidiaries.

21. Deloitte Tax respectfully requests that its retention be made effective as of January 16, 2023 so that Deloitte Tax may be compensated for the professional services it has provided prior to the Application being heard by the Court. Deloitte Tax has provided services to the Debtors in advance of approval of the Application in anticipation that its retention would be approved effective as of January 16, 2023. Deloitte Tax submits that these circumstances are of a nature warranting retroactive approval.

### **Professional Compensation**

22. Deloitte Tax's retention by the Debtors is conditioned upon its ability to be retained in accordance with its terms and conditions of employment, including the proposed compensation arrangements, set forth in the Engagement Letter.

23. Pursuant to the terms of the Engagement Letter, Deloitte Tax will charge the Debtors for the restructuring and provision services at the following hourly rates, as set forth in the table below:

<b>Professional Level</b>	<b>Hourly Rates</b>
Partner/Principal/Managing Director	\$1,087
Senior Manager	\$956
Manager	\$813
Senior	\$701
Staff	\$592

24. In the normal course of business, Deloitte Tax revises its hourly rates to reflect changes in responsibilities, increased experience, geographic differentials, and increased costs of doing business. Deloitte Tax shall advise the Debtors of any new rates should it institute a rate-change during the Chapter 11 Cases. Such changes will be noted on the invoices for the first time period in which a revised rate becomes effective.

25. In addition, reasonable expenses, including travel, report production, delivery services, and other expenses incurred in providing Deloitte Tax's services, will be included in the total amount billed.

26. Deloitte Tax will charge the Debtors \$55,000 for the preparation of the tax return, not including preparation of extension requests and quarterly estimates.

27. Some services incidental to the tasks to be performed by Deloitte Tax in these Chapter 11 Cases may be performed by personnel now employed by or associated with affiliates of Deloitte Tax, such as Deloitte & Touche, Deloitte FAS, DTBA, and Deloitte

Consulting, or their respective subsidiaries, including subsidiaries located outside of the United States. In particular, Deloitte Tax may subcontract a portion of services to its indirect subsidiary, Deloitte Tax India Private Limited (“**Deloitte Tax India**”). In such case, a specifically assigned team of personnel from Deloitte Tax India assists in such services under the supervision, and with the input, of personnel of Deloitte Tax. The hourly rates charged to the clients by Deloitte Tax for services performed by Deloitte Tax India personnel are comparable to the rates charged for similar services by Deloitte Tax, but do not directly correlate with the hourly rates attributed to such services by Deloitte Tax India. The connections of Deloitte Tax India (along with the connections of Deloitte Tax India and its other affiliates) to the Potential Parties-in-Interest searched by Deloitte Tax are set forth on **Schedule 2** attached hereto.

28. Deloitte Tax intends to file interim and final fee applications with the Court for allowance of compensation and reimbursement of expenses consistent with the terms of the Engagement Letter, the Application and this Declaration, the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, the applicable U.S. Trustee Guidelines, and the orders of this Court.

29. Deloitte Tax requests that it be permitted to submit monthly invoices for services rendered and expenses incurred under the Engagement Letter. Such invoices will contain reasonable detail consistent with any rules, guidelines and/or administrative orders promulgated by the Court that apply to these Chapter 11 Cases. Deloitte Tax requests that the invoices, after appropriate review, be paid in a manner consistent with the payment of other retained professionals in this matter, consistent with any administrative orders, if any, that would apply to interim payments. I understand that all payments rendered pursuant to Deloitte Tax’s retention by the Debtors must be approved by an order of this Court, and based upon the filing by Deloitte Tax of

appropriate interim and final applications for allowance of compensation and reimbursement of expenses.

30. Prior to the Petition Date, Deloitte Tax provided professional services to the Debtors. In the ninety (90) days prior to the Petition Date, the Debtors paid Deloitte Tax approximately \$111,824 on account of invoices issued prior to such date. As of the Petition Date, no amounts were outstanding with respect to the invoice(s) issued by Deloitte Tax prior to such date.

31. Prior to the Petition Date, Deloitte & Touche provided professional services to the Debtors. In the ninety (90) days prior to the Petition Date, the Debtors paid Deloitte & Touche approximately \$38,406 on account of invoices issued prior to such date. As of the Petition Date, no amounts were outstanding with respect to the invoice(s) issued by Deloitte & Touche prior to such date. Deloitte & Touche is anticipated to seek Court approval as a professional retained in the ordinary course of business with respect to any ongoing services performed for the Debtors.

32. Prior to the Petition Date, DTBA provided professional services to the Debtors. In the ninety (90) days prior to the Petition Date, the Debtors paid DTBA approximately \$189,850 on account of invoices issued prior to such date. As of the Petition Date, no amounts were outstanding with respect to the invoice(s) issued by DTBA prior to such date.

33. Deloitte Tax has received no promises regarding compensation in these Chapter 11 Cases other than in accordance with the Bankruptcy Code and as set forth in this Declaration. Deloitte Tax has no agreement with any nonaffiliated or unrelated entity to share any compensation earned in these Chapter 11 Cases.

**No Duplication of Services**

34. To my knowledge, I believe that the services Deloitte Tax provides to the Debtors will not duplicate the services that other professionals will be providing to the Debtors in these Chapter 11 Cases. Specifically, I believe that Deloitte Tax will perform unique services and will use reasonable efforts to coordinate with the Debtors to avoid the unnecessary duplication of services.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct.
